

Too Bad We Don't Make Safeglide[®] for Them

safeglide[®]
FELT FLOOR PROTECTORS

Help protect furniture
from scratching or marring floors
with Safeglide[®] felt floor protectors.

Recommend Safeglide[®] to protect your client's furniture from scratching or marring floors. 5 Options meet all needs: Tap-Ins for wooden chair legs, Snapglides for brass-plated swivel glides, Stemglides for Breuer style chairs, Levelers for tables, chairs, refrigerators, washers & dryers and Self-Adhesives where the conventional tap-ins won't work.

- Simple to install
- Won't loosen or slip
- Affordable
- Helps avoid callbacks
- Protects your customer's investment
- Available in a variety of sizes & colors

Recommended for wood, vinyl, tile, stone, terrazzo and marble flooring.
