

Infinity Waterbase Sweepstakes

Glitsa's Infinity Waterbase is rolling across the country. Contractors around the country that have used Infinity are coming back for more. Infinity's single component packaging makes it easy to use and easy to control costs. Contractors love that it cures hard, a feature missing in single components until now.

Glitsa American kicked off the Infinity Waterbase Sweepstakes at the 2000 National Wood Flooring Association's Annual Convention in Dallas, Texas this past April. The custom Harley Davidson Softail® Night Train™ that will be given away was on display in Glitsa's booth.

How to play? Each gallon of Infinity Color Control Sealer and Infinity Waterbase has an official peel-off entry form attached to the label. Simply peel off the form, fill it in, and mail it to Glitsa American. You may enter as many times as you

like with an official entry form. No reproductions will be accepted. Sorry, distributors and vendors are not eligible. This sweepstakes is open to the wood flooring contractor only.

The winner of the Night Train™ will be drawn at the 2001 National Wood Flooring Association's Annual Convention in Palm Springs, California. For complete rules and regulations or an official entry form, please send a self-addressed, stamped envelope to: Glitsa American, Inc., Infinity Waterbase Sweepstakes, 327 South Kenyon Street, Seattle, WA 98108.

A win-win situation – Try a gallon of Infinity Waterbase and enter for a chance to ride away on a 2000 Harley Davidson Softail® Night Train™.
