

Glitsa Welcomes New Coatings Chemist,

Ken Winterstein

We are pleased to announce the addition of Ken Winterstein, Senior Chemist, to the Glitsa Team. Ken has spent the last twenty-one years developing products with the last eight years developing waterbased wood floor finishes, conversion varnishes, stains and other floor coatings. Ken is very excited to be at Glitsa where he is focusing on high performance waterbase coatings that will be consistent with the quality of all Glitsa wood floor coatings. ■
